

SOUTH AFRICA YOU ARE AN OVERCOMER.
LET THE INTERCESSORS, the WORSHIPPERS, PROPHETS and WARRIORS of God ARISE.
There is a SERIOUS WAR IN THE HEAVENLIES.

"Be strong in the Lord and in His mighty power."
Ephesians 6:10

The Apostle Paul encourages us to keep a very high level of courage. David, in one of the Psalms, said, "He restores my soul..." (Psalm 23:3). This suggests that through fellowship with God, having INTIMACY WITH HIM we are filled with His presence. He breathes the breath of life in us through INTIMATE MOMENTS WITH HIM. After this happens, we are able to PERCEIVE and discern and fight the real enemy by the power of the Spirit of God.

In this time some of you are hearing prophecies of REVIVAL and expectations and suddenly moments and THEN some are thinking, " I am just not feeling it!".
Allow me to reveal to you what God showed me. Some are being called to intercede for REVIVAL and to sing and declare a new song and some of you are being called to cry, seek God for mercy and travail and then others are sensing to do intense warfare in the spirit. These emotions seem so disconnected somehow, YET VERY MUCH CONNECTED.

These are ALL POWERFUL mandates from God to have ALL ASPECTS of His strategic battle against the principalities, powers and rulers of darkness fighting vigorously to try and PLUNDER AFRICA's inheritance, COVERED!

God showed me a vision:

I saw a huge red dragon, it's torso was in South Africa and its tail was stretched all the way up Africa swishing back and forth causing confusion and grave uncertainty.

Then I heard the loudest ROAR OF A LION.

The Lord spoke to me and explained that this roar was the Lion of the Tribe of Judah roaring in UNITY with the WARRIOR BRIDES WHO WERE declaring PRAISES to the Lord. I began seeing the army warriors shouting whilst arrows from the heavenlies began lodging themselves into the dragon, causing the dragon to become weary. It was raging and becoming aggressive at its last gasp for breath and then it FELL.

I began reading Exodus 17:1-

To continue my quest to understand the happenings of the second month of Iyar.

As I was researching the battle the children of Israel encountered against the AMALAKITES, I began to see the current issue over Africa very clearly.

I am sharing this to bring understanding and present an action plan.

I would like to BEGIN WITH THIS TRUTH:

When we strengthen ourselves in true faith in God, we overpower the Amalek within.

Allow me to begin by paraphrasing the story.

In Exodus 17:8-16 Joshua and the Israelites are fighting against a tribe called the Amalekites, while Moses is on top of a hill interceding with the staff of God. As long as Moses kept his hands held up, Joshua prevailed, but whenever he lowered his hands, the Amalekites prevailed. Moses' hands grew

weary and tired, and Aaron and Hur had Moses sit on a stone, while they held his hands up and steady until Joshua had overcome the enemy with the sword by sunset.

The WORD AMELEK means DOUBT and it's strategy was to bring doubt and fear into the hearts of their intended target with INTENTION TO MAKE THEM GROW WEARY.

They were a nation known to steal the inheritance of another nation.

The AMELEK spirit is known for wearying you out by derailing your destiny with the intention to take it from you.

It takes from the weakest, poorest and disadvantaged to eventually own what they have in exchange for basic needs.

The first meeting between the Amalekites and Israelites took place soon after the exodus from Egypt, at Rephidim, near Mount Sinai. Here the Amalekites made an unprovoked attack upon Israel, harassing their rear and cutting off the weak and weary. Joshua commanded Israelite forces in the fight, with Moses holding up his rod in the sight of the people to indicate that Jehovah was with them. On that occasion, Israel prevailed. The Amalekites were soundly defeated.—Ex. 17:8-13; Deut. 25:17, 18.

This story provides KEYS TO OVERCOME this ENEMY.

1. DO NOT GROW WEARY of interceding. KEEP AT IT. This is the hour where even greater fervency is needed. Pray without ceasing, be in the alert.

2. Join together in UNITED PRAYER and intercession WITH PRAISE. Make noise, blow the shofar and shift the atmosphere of your cities and nation with PRAISE OUR HEAVENLY weapon of war.

3. Some will be called to stand as PROPHETS like Moses. Some will be called to intercede as HIGH PRIESTS like Aaron and others to release a sound of PRAISE and others to get into the messy fight. I believe all these will release the powerful ROAR of the Lion of Judah. In this time we all have DIVERSE ROLES and are being commissioned by God into our strategic positions.

Do NOT GROW WEARY NOR LOOSE HOPE in this time. Do NOT LOOK to the natural especially for the provision and business success. The emotions of fear, anxiety and doubt will cause us to find solutions in our own strength which will wear us out.

This Amalakite spirit IS THE DRAGON I saw and God HIMSELF has a plan to defeat it.

God is encouraging Intercessors and gatekeepers to ARISE IN THIS HOUR.

The Amalakites wanted to steal the Israelites inheritance.

Their goal was to enslave the Israelites into a dependency upon them whilst in the desert and in desperate need of basic needs.

This tactic is known as debt-trap diplomacy

Exodus 17: 14 says that God would blot out the memory of Amalek – they are no longer a tribe today. But then in vs16, it says that the Lord will be at war against the Amalekites from generation to generation.

So we're talking about a spiritual war here now. Amalek means warlike. The Hebrew root is "amal" which means: to toil; wearing effect; pain; wickedness; sorrow; wearisome; trouble; mischief; etc.

I am encouraging you to know that it is spiritual battle over South Africa and the manifestation is

through a nation that is currently endeavoring to recolonize Africa and the Bible says, Submit yourself to God, resist the Devil and he WILL FLEE from you.

May I encourage you to be quick to recognize its source. Recognize that all you need to do is raise your voice and hands in praise and intercede shooting arrows at the precise enemy.

This is not something to play with. Your future and possessing your inheritance as a South African and as an African depends on it.

NOW INTERCESSORS

We need to realize the tiredness Moses felt was not just a natural tiredness. Moses was feeling the spiritual effect of the demonic principality of Amalek that operated through this tribe. It was spiritual warfare. This spirit was trying to wear down Moses so he would give up on his posture of intercession for Joshua and the army.

Thankfully, Moses had Aaron (High Priest and Intercessor) and Hur (from the tribe of Judah/ representing PRAISE) to assist him. If you remember Amalek's strategy in Deuteronomy 25:17-19 was to pick off and take out all the Israelite stragglers that were weary and worn out, and consequently lagging behind.

Amalek's strategy is to wear down, tire out, weaken, and pick off the people of God to keep them from the destiny of their Promised Land inheritance. The tribe of the Amalekites may have descended from Esau, the grandfather of Amalek, who sold his birthright for some bean soup, because he was "weary." We as AFRICANS WILL NOT SELL OFF OUR BIRTH-RITE just because we have grown weary of our state of poverty or debt and we are not able to see the light at the end of the tunnel.

Today the same God who caused Israel to win THE BATTLE and provided for them 40 years in the desert WILL SAVE AFRICA from the RED dragon.

This is a major demonic principality that we cannot ignore. It's strategy is still the same: create passivity – to wear down and wear out the people of God until they lose their posture of prayer and faith in the Spirit, and then subsequently make wrong decisions and choices regarding their destiny and inheritance, and possibly be even demonically influenced to a place of disobeying the Word, or instructions God has spoken to them about their future.

These accounts relate the sort of trickery, terrorism, and underhandedness that the Amalekites seem to use perpetually. One can only conclude that these tactics are passed from generation to generation, becoming a hereditary trait.

But we are not ignorant of the devil's devices and strategies. SO LET THE WEAK SAY: I AM STRONG!!! REMEMBER we fight not against flesh and blood but against a principality. Let us pray for the salvation of our enemies and fight and slay the REAL DEMONIC force.

The AMALAKITE Spirit.

Father, in the Name of Jesus, we come against Amalek and any of its influence, and we say that WE ARE MORE THAN CONQUERORS through Jesus Christ who loves us and is now at the right hand of the Father making intercession for us. We say we resist weariness, tiredness and passivity. And we say that we will be and stay strong in this battle for South Africa– strong in the Lord and in the power of His might on a fast-track fulfilling our destiny.

And Father – give us genuine Aarons, steadfast and resilient Intercessors who will stand in the gap with the strength, wisdom, insight and authority of the Holy Spirit. Lord raise Hurs in this time that will help lift up their hands in the battle with a war song and new song of praise. Raise the voice of the Bride and

the Spirit to shout COME.

And we say NO WEAPON FORMED AGAINST SOUTH AFRIC And the continent of Africa WILL PROSPER!!!

We say like the Apostle Paul in

Ephesians 1

“ that the same mighty strength and power of the resurrection and ascension of the Lord Jesus Christ that our Father in Heaven released 2000 years ago is now at work in us.”

And WE DECLARE THAT AMALEK IS DEFEATED OVER SOUTH AFRICA and the entire continent of Africa.

Amen! Let it be so!
